***MS-824 Productivity Change in Taiwan's Farmers' Credit Unions: A
Nonparametric Risk-Adjusted Malmquist Approach***

Dear Authors,

We have now received the review of the revised version of your manuscript. As you will see, this referee is now also convinced that you have addressed the most important outstanding concerns.

I am pleased to inform you that I can provisionally accept your manuscript for publication subject to a final revision that accounts for the remaining points raised by the referee. When preparing your final revision, please be sure to consult our Guide for Authors (<http://www.blackwellpublishing.com/submit.asp?ref=0169-5150>) that lists our style and format requirements. Please let us know by roughly when you anticipate being able to supply us with a final revision of your manuscript. I look forward to hearing from you.

Yours very sincerely,

Stephan von Cramon-Taubadel
